The Certification body has performed an audit of the above product testing and verified the design system, manufacture and final inspection of the certified product. The product specification has been assessed, approved and is subject to continuous surveillance according to Standard EN 1504-2 and DIN V 18026, DIN 18532 1+6 & RILI SIB 2001 Class OS 10 requirements.

This certificate is issued under the following conditions:

1. Fulfilled all requirements as per suggested standards
2. The certificate remains valid until the manufacturing conditions are changed.
3. The compliance as shown above can be used, under the responsibility of the manufacturer, after completion of a declaration of conformity and compliance with all relevant standard requirements. The statement is based on a single evaluation of one sample of the above-mentioned product. It does not imply an assessment of the whole production.
4. The certificate validity is conditioned upon successful surveillance results.

Validity of this certificate can be verified at www.ukglobal.uk/Verify
